

Agreement Protocol

Step One:

Not later than 72 hours before a Household Goods Carrier (HGC) is to travel through the two covered segment locations (see map), you will submit electronically or by fax a signed Agreement to the Department of Transportation and to the Garberville area CHP office a copy of the Interim Access Agreement for Household Goods Carriers. You will need the name of the HGC, your California PUC number/DOT number, a copy of the required insurance policy and certificate of insurance.
