

MEMBERSHIP

Membership in the California Moving & Storage Association provides many benefits for you, your company and the California moving consumer. Representing licensed and insured movers and associate member companies, the CMSA is the Nation's largest state Moving & Storage Association representing the professional moving and storage industry. Established in 1918, CMSA provides numerous benefits for its members, including educational opportunities, industry forums, and industry related programs.

Comprised of 12 Chapters strategically located throughout California, the CMSA is highly organized and provides effective leadership for the California moving industry. The CMSA also has effective committees focusing on topics such as Government Affairs, Insurance, and Military Affairs. These Committees provide the membership with valuable information and provide a voice for the membership.

To learn more about the benefits of becoming a member of the California Moving & Storage Association, please choose the program appropriate for your organization:
